### HOW WE COMPARE!

Heel & Toe Podiatry	Contracted Podiatry Services
Consistent visits every 9 weeks (63 Days)	Visits every 3+ months
Same trusted doctor every time	Poor Communication with Patients and Staff
Caring, patient-focused service	Random doctor from across or out of state
Full follow-up for any complications, wounds, or injuries in office or in facility	No local office or local Hospital services available
Local Office with Quick Availability: X-ray, Ultrasound in house.	No clear schedule or follow-up scheduling
Local Hospital Care: Mercy Perrysburg, Mercy St. Anne's, Mercy St. Charles, Promedica Bay Park Hospital	Do not provide follow-up care for any problems

### EXPERIENCE THE DIFFERENCE!

At Heel & Toe Podiatry, you are **never just a number**. You are a valued patient/facility, and we are here to keep you well informed, comfortable, mobile, well cared for!
